It Cost Just 20 Cents More

To Produce the Big One than it did the runt

**THE BIG ONE WAS FED
AVALON FARMS HOG-TONE**

—The Liquid Hog Conditioner, Fattener and Worm Remover—

—THE RUNT WASN'T

THEY both started life at the same time and weight. They were given the same feed under the same conditions - with one exception. The big one got his regular dose of AVALON FARMS HOG-TONE - the Liquid Hog Conditioner, Fattener and Worm Remover - and the runt didn't.

The big one is the kind that tops markets and brings big profits to the pockets of the hog raiser. The runt cost more to raise than he will ever bring in the market. And the difference was brought about by 20 cents worth of AVALON FARMS HOG-TONE. HOG-TONE puts new life into hogs - makes them eat more and grow fat at an amazing rate. It helps them to combat disease and eliminates the worms that are the hog raiser's greatest foe to profits. Splendid for pregnant sows - helps to produce healthy, sturdy pigs. Come in the store - tell us the number of your herd - and we will give you enough HOG-TONE to treat all your hogs 60 days. You don't give us a penny now. If the results of the HOG-TONE treatment fail to satisfy you, it will cost you nothing.

Victorian Community Club.

Tuesday afternoon, May 28th, the Victorian Community Club met with Mrs. E. B. O'Brien. Mrs. O'Brien has a wonderful country home, and she is a lady who knows how to make you feel welcome in her home, so we spent a most pleasant afternoon. We talked some about the spring gardens and some things we might can from them now, but the main topic of discussion was the growing of flowers; different ladies giving their ideas on planting and cultivating different kinds of flowers. Then the hostess showed us her nice flower garden, which is between her house and the road; and in the edge of this is a spigot, where the traveler may refresh himself and horses with water, and at the same time refresh his soul with the beauty and sweet smell of the flowers. Then she showed us her spring which is a very pleasant place to visit on a hot day. We plan to have a picnic at this place some time in the near future, and then adjourned, to meet with Mrs. J. J. Bennett on Tuesday afternoon, June 11.

Casualties in the British ranks during the month of May in killed, wounded and missing amounted to 166,802, as announced officially.

WOMEN PRAISE STELLA-VITAE

We want every afflicted woman to try at least one bottle of Stella-Vitae on our plain, open guarantee to return the money paid for it if it does not benefit. If you doubt our word that it will relieve the distressing aches, pains and misery peculiar to the diseases of women, read the testimony of these women who have tried it and are glad to tell others what it has done for them. The only interest they have in the matter is that which any true woman feels in helping to relieve the sufferings of other women. You can believe them.

Mrs. J. F. Lee, Milstead, Ga., had female complaint for years. Three bottles of STELLA-VITAE cured her, she said, and added, "I am certainly thankful for this great female tonic." Mrs. Fannie Frazier, Longview, Tex., expressed appreciation of STELLA-VITAE in these words: "I cannot say too much for this wonderful medicine. I had taken other female medicines for two years with no good results. I am truly grateful for the good STELLA-VITAE has done me." Mrs. Sandy Withers, of Greensboro, Ala., was a terrible sufferer from female trouble—and only a woman knows what that means! Her condition got so bad her pains threw her into spells like fits. Her husband feared she would lose her mind. The Greensboro doctors pronounced her incurable. Then somebody suggested that she take STELLA-VITAE. She did so. The first dose lightened her spells. STELLA-VITAE is a perfectly harmless compound and it not only alleviates a woman's pain, but builds up her health; it stimulates her appetite, aids digestion, quiets her nerves and clears her complexion. It improves her personal appearance.

All dealers sell Stella-Vitae, and it is authorized to return the money paid for the first bottle if it does not benefit.

COULD HARDLY STAND ALONE

Terrible Suffering From Headache, Sideache, Backache, and Weakness, Relieved by Cardui, Says This Texas Lady.

Gonzales, Tex.—Mrs. Minnie Philpot, of this place, writes: "Five years ago I was taken with a pain in my left side. It was right under my left rib. It would commence with an aching and extend up into my left shoulder and on down into my back. By that time the pain would be so severe I would have to take to bed, and suffered usually about three days... I suffered this way for three years, and got to be a mere skeleton and was so weak I could hardly stand alone. Was not able to go anywhere and had to let my house work go... I suffered awful with a pain in my back and I had the headache all the time. I just was unable to do a thing. My life was a misery, my stomach got in an awful condition, caused from taking so much medicine. I suffered so much pain. I had just about given up all hopes of our getting anything to help me.

One day a Birthday Almanac was thrown in my yard. After reading its testimonials I decided to try Cardui, and am so thankful that I did, for I began to improve when on the second bottle... I am now a well woman and feeling fine and the cure has been permanent for it has been two years since my awful bad health. I will always praise and recommend Cardui." Try Cardui today. E 78
